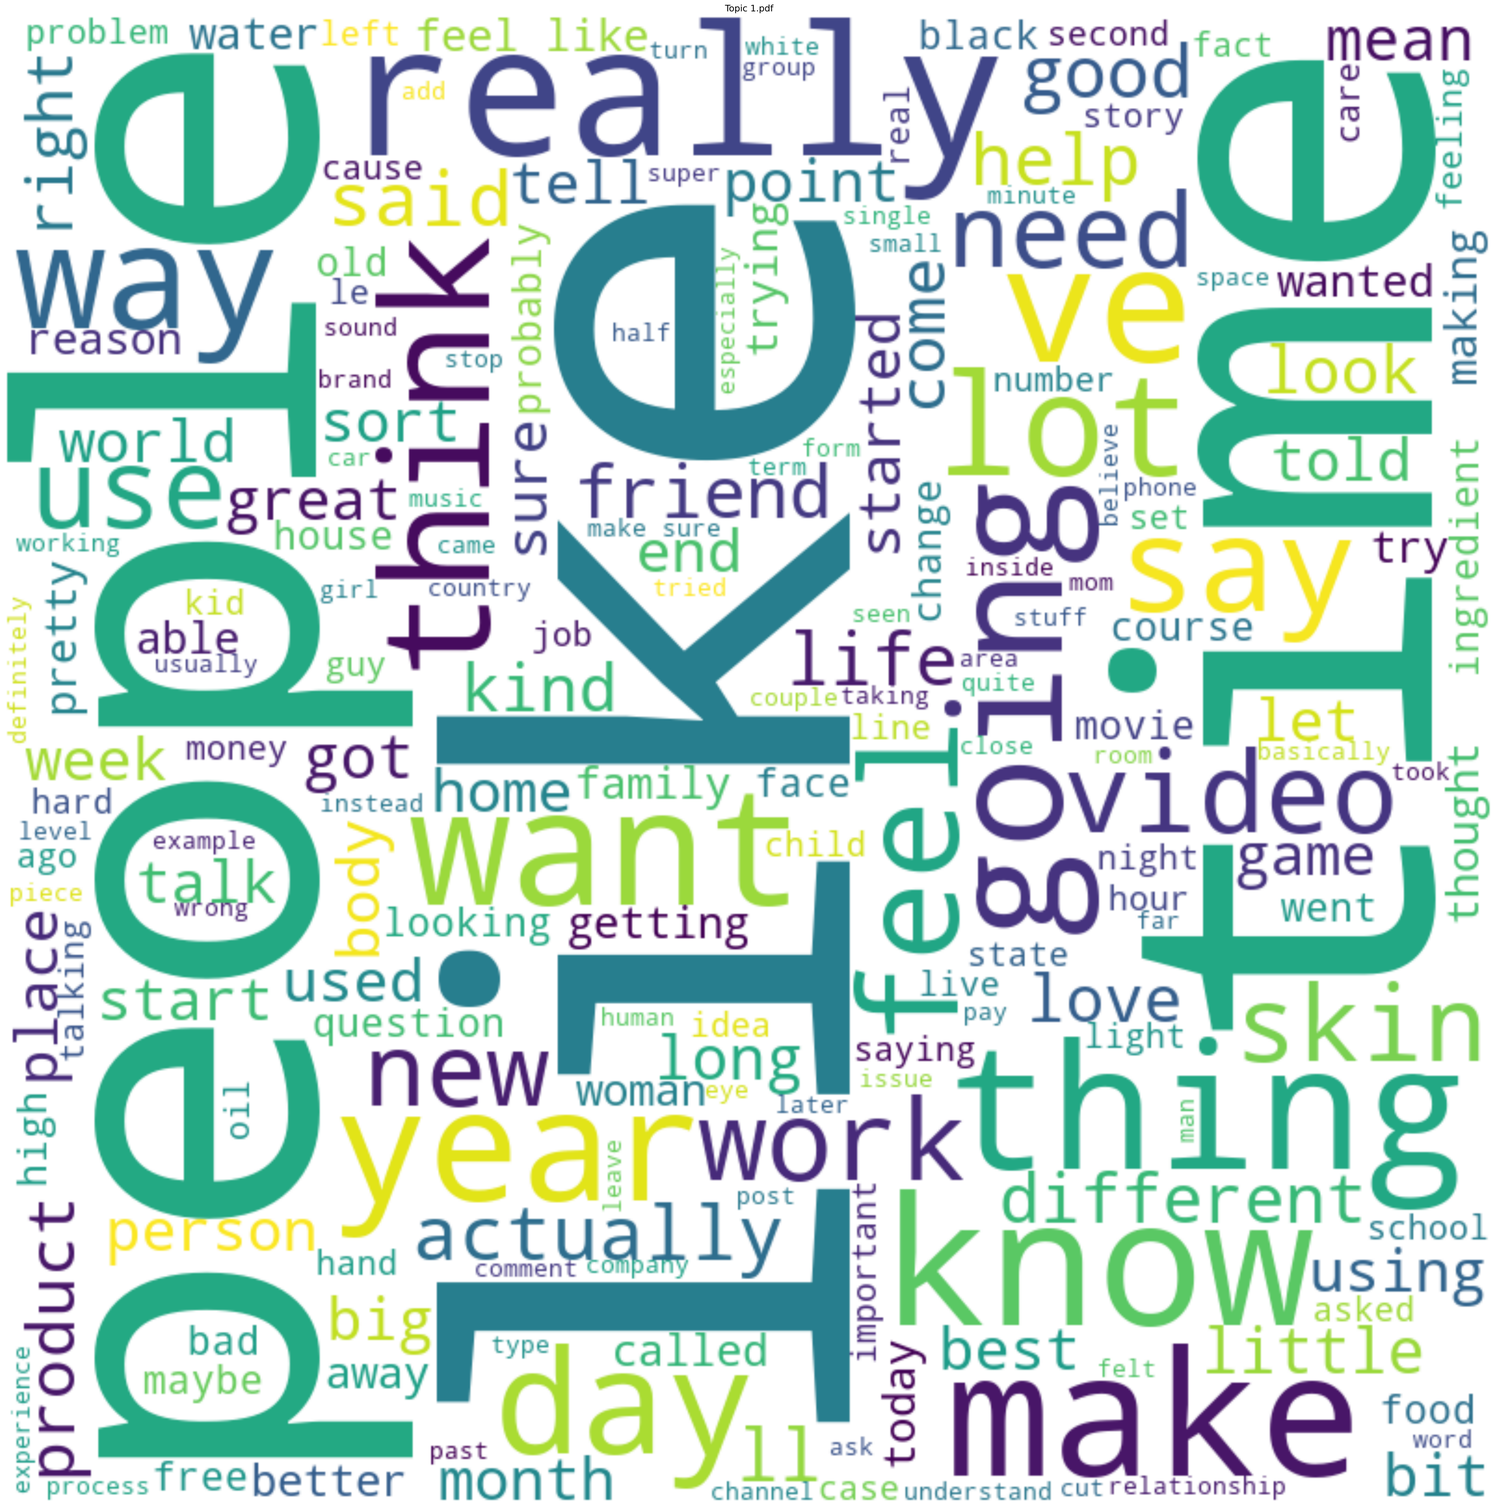
Topic 1.pdf



problem water left feel like turn white group black second fact mean
right add really good story care feeling
way cause said tell super point real help minute need
reason old le sound stop brand probably sure trying especially half single small
think come started lot ve wanted
world sort car term form number look making
use great music friend make sure set phone believe told
working house came end tried change inside mom try ingredient
pretty kid able usually guy girl country job seen stuff course say
definitely kind life area quite couple taking line movie let
week money got close room basically took
hard instead home family face video
level example talk wrong ago piece want feel child night game hour far went thought
body looking getting talking place
start used state live pay love
question human idea long saying light skin
new woman eye issue later
high oil year work thing man
leave post different
person actually important school
hand comment company know using asked
product big type called best little
bad maybe away today felt
experience month 11 ask food word
process free better past case channel understand cut relationship make bit
